

## Silver Keyring Special Horse Riding

80 EUR

Period : 20th century

Condition : Très bon état

Material : Sterling silver

Length : 13.5 cm

Description
-------------

This key ring is made in an imagery that revolves around horse riding where we can see elements suggesting bits and a stirrup mounted so as to be mobile and turn, the ring to put the keys is released by pressure. It is made of silver whose origin of the hallmark remains to be determined.
