### Description

Beautiful bronze medallion (diameter: 27 cm) with brown patina, decorated with a scene treated in the Antique style, in a bronze frame. The scene represents Eros symbolized by a child holding a bow on a pedestal decorated with 2 hearts. Beautiful quality of the chiseling, interesting contrast between the two patinas - dark patina and golden patina - of the bronze. A small lack of the ribbon which adorns the frame in the left part. The medallion is early 19th century - the frame is around the 1880s. Delivery to France by Colissimo with tracking: 40 euros
