Designers Lella and Massimo Vignelli created the 'CEO Cube Cabinet' for Poltrona Frau, a storage unit measuring 64x210x60 cm, produced since 2008.

The exterior of the cabinet is made of leather and lacquered internally in matt black. The precise colour of the cabinet is 'colour sphere Polar'. It has seven doors with a light pressure closure and a safe can be found inside.

The condition report is excellent as it has been used for a meeting room of an Italian company a few times. It has a production mark on the bottom of the cabinet.
