### Description

Georges Martin (1906-1962) - Oil on canvas - Flowers Oil on canvas representing a still life of flowers Signed Georges Martin (1906-1962), prolific photographer, designer, painter and decorator. His first paintings are very figurative. Then he rents a studio where in a radical break he creates paintings influenced by the cubist style. He uses his research on simplified geometry to create his portraits, landscapes or still lifes without going as far as the strange but with a refined modernity. Harmonies of cold green, blue, mauve tones or bright colors yellow, red, hard blue illuminate his paintings. Please note some defects on the frame. Visible at the Galerie Courcelles Antiquités, at 97 rue de Courcelles, in the 17th arrondissement of Paris.
