Description

Magnificent set of 4 Scandinavian design chairs, quality 1950s manufacturing. In original teak, seat and back redone, the foam too. Completely redone by an upholsterer. Very trendy bouclette fabric. Designer ib kofod-larsen for g-plan. Really a very beautiful set and very rare model. In good condition in their juices, traces of use related to time see photos. Damaged on the back of the backs because of the old fabric which was poorly redone, but not annoying. Back height 77cm. Seat height 47cm. Seat diameter 46cm. Depth 46cm.
