Description

Beautiful set of eight dessert spoons in solid silver.

The spatulas engraved with a count's crown are decorated with threads forming windings and interlacing developing on the stem and back of the spoons.

Each spoon is hallmarked:

- . Minerva 1st title before 1973 for 950/°° silver
- . Goldsmith's hallmark: ND with a knotted spoon and a gear, which I have not been able to identify.

Beautiful model of spoons with a decoration evoking refined and modernized 18th century scrolls with a magnificent engraved count's crown.
