Description

Elegant, antique Louis XVI style fireplace-surround in Belgian Rouge Royal marble. Dating from the second half of the 19th century. Complete with its cast iron foyer. It stood from 1881 till the date of removal in a Maison Maître in Brussels. Together with another, very similar Louis XVI fireplace, also made out of the Rouge Royal marble, but a bit smaller. And is also in our collection. The shelf is resting above a wide, fluted frieze, centered by a delicate carved floral cartouche in Carrara marble. The frieze is flanked by floral endblocks. Fluted jambs are supported on plain footblocks. Will be delivered with old Carrara marble floortiles to make a frontfloor. Note: Photo is taken before dismantling, fireplace is cleaned now in my workshop. Easy to re-install. No
