

Gilt Bronze Filigree Lace Picture Frame Dominated By A Four Leaf Clover

140 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Width : 14

Height : 21

Description

Its beveled glass with the photo is placed in this easel frame by pulling on the lucky clover which is fixed on a spring rod. The decoration consists of a wide filigree band arranged in an unbalanced way in order to give a more original look to the whole. Dimensions for the photo 11x16.5 cm
