### Description

Very curious Snuffbox Pepperbox, of unusual shape, Touine in blown blue glass, Normandy 19th century.

The shape, in one piece, resembles that of an egg cup which would be covered with a conical lid ending with a sort of overflowing baby bottle teat, all on a foot with a high edge.

Thick glass, midnight blue color, trace of pontil surrounding the opening intended for filling below.

Very good condition, note a slight small defect during blowing on the edge of the middle part.

Dimensions: 14 cm high x 6.5 cm in diameter.

Weight: 190 gr
