

Chinese Metal Vase

1 850 EUR

Signature : A définir

Period : 19th century

Condition : Très bon état

Material : Copper

Width : 40 environ

Height : 66

Description

Exceptional Chinese vase from the beginning of the 19th century in heavy terracotta covered with embossed copper with dragon decoration, probably commissioned work! Rare model! Very heavy! Good stability! Height 67 cm, and width of approximately 40 cm. Very pretty Asian piece! Decorative and of high quality! In very good condition! Original old patina! Very beautiful artist's work!
