Description

Superb Dutch bronze chandelier in the Renaissance style with 8 light arms and 8 rosettes (bronze flowers)

Very beautiful chandelier that stands out by the bronze birds on each arm, which is unusual and superb. We can also find a bird on the top of the shaft

It is not mounted with keys as they did in the 19th century, but still in the way they did during the Renaissance

Very beautiful proportions between the branches and the shaft
Very beautiful original patina
It would easily be possible to electrify the
