Height : 19 centimètres

Description

A bronze elephant subject...
Cast with re-chasing...
And a dead golden patina...
With an accuracy in the animal's features...
From the 1900s...
By CHARLES PAILLET...
Some oxidation, for me nothing serious...!
I will ask my restorer if an improvement is possible?...
The artist's file in the last photo...
Weight... 1 kilo 419 gr
