Description

This necklace is a sautoir made of green zirconia beads. This necklace is composed of a multitude of fringes of these beads that join a white baroque pearl, creating an elegant effect with a fall of fringes. The bakelite clasp is practical and easy to handle. For the dimensions, the length of the necklace worn around the neck is 47 cm, the beads measure 3 cm and 2.7 cm, while the fringes have a length of 15 cm.
