Description

Curule-shaped stool in iron and tin,

The flared armrests are decorated with swan heads.

The seat has a trellis pattern and the tips of the feet are claw-shaped.

The swan necks, the tips of the feet, the rivets that assemble the base are made of tin.

It has been partially stripped and I present it in its found condition.

This stool is in good condition and very stable.

This model is not very common on the market.
