This plaster wall light is a lovely curiosity, indeed, it will fit perfectly into a very 40s, very trendy interior. It represents a mermaid, there is really a symbolism with what she carries in her hand, she also carries a sickle. The wall light is sold in its original state, natural, untouched. We report rubbing, wear, small accidents. We took photos of the accidents. The patina is natural, it can be incorporated into a very modern interior. For the condition, please detail the photos.
