Description

French Napoleon III center bookcase, supported by wavy legs, the lower band on both the front and sides is shaped; on the front it has two doors finished with fake books, with applied leather ribs, so as to simulate an open bookcase. In the upper part there is an open compartment and an upper tray shelf. The etagere has a similar shape, but in the central compartment there are various shelves placed at different heights. Interior in mahogany, they are veneered in bois de rose, with a 45 ° cut and quadripartite on the tops; the furniture is decorated with gilded bronzes and worked with leafy volutes, in the shoes, on the uprights, on the lower band and in the side handles.
