

## Provençal Mirror In Gilded And Painted Wood From The Louis XV Period

3 200 EUR

Period : 18th century

Condition : Très bon état

Material : Gilded wood

Width : 81 cm

Height : 157 cm

### Description

Ideally sized, our painted and gilded mirror has a plant decoration, with a shell decorated with open leaves at the top. A small pomegranate at the bottom. The carved gilded wooden openings reveal the painted wooden frame. The scrolls and other elegant sculptures finish off this very beautiful Louis XV decoration. Slight wear to the gilding and a small loss should be noted.
