Description

COD: 10717 Italian planter from the early 20th century. Object composed of a base in wrought and chiseled iron and a basin in sculpted marble of exceptional quality. Furniture of beautiful size and proportions, which can be easily placed in different parts of the house, ideal for a living room or hall, for antique dealers and interior decorators. Furniture that can be used both as a planter and as a piece of furniture, in a fabulous patina. Structurally sound and robust tripod support in iron that shows signs of wear that give the piece of furniture even more charm (see photo). In good condition with some signs of the time. As each of our items will be accompanied by a certificate of authenticity and guarantee as well as photographic documentation. Visit our website www.parino.it Free delivery in Europe.
