### Description

Important Haussmannian fireplace in red griotte marble from the Pyrenees of remarkable quality, called "à oeil de perdrix", in perfect condition, from the Place Bellecour in Lyon. Its decorative vocabulary, typical of this period, reserve flanked by sets of moldings, diamond points, jambs in channel sheath surmounted by important modillions, testifies to the splendor of this period. The dimensions of its hearth are 110 cm wide and 89 cm high. You can visit our site:
