Description

We present this adorable little bench in gilded and lacquered wood in its original condition. It is Louis XV style, shell feet. It is early in period for us but we will remain cautious and certify it as being from the 19th century. It still has its original cover in very frayed silk. This little foot bench has a real soul. Good condition of conservation of all the woodwork. Weight 2.4 kg
Shipping included for France only. (E24)
