

Pair Of Haute époque Candlesticks

650 EUR

Period : Before 16th century

Condition : Très bon état

Material : Metal

Diameter : de la base 13,5 cm

Height : 21 cm

Description

We present this pair of high period candlesticks, very early 17th century around 1600 because we find there still reminiscences of candlesticks of the 16th century, a very wide base, very deep sockets and quality metal. Very beautiful execution. Purchased, polished as is, period guaranteed on invoice. Weight 1.7 kg (E24)
