with particular attention.

Natural products: To preserve the colors and delicate fibers of the tapestries, Galerie Lissier uses natural and biodegradable products.

Artisanal work: Each tapestry is cleaned by hand, thus offering a personalized and high-quality result.

A complete restoration: In addition to cleaning, Galerie Lissier also offers restoration services to repair any tears, damaged fringes or faded colors.

Recognized expertise: With many years of experience, Galerie Lissier is a guarantee of quality and reliability.

The stages of traditional cleaning

Careful examination: Before any intervention, the tapestry is carefully examined to assess its general condition and determine the most suitable treatment.

Deep cleaning: Craftsmen use specific cleaning techniques to remove dirt, dust and stains in depth.

Controlled drying: The tapestry is then dried in optimal conditions to avoid any risk of deformation or mold.

Finishing: To perfect the work, craftsmen can carry out a light ironing or a touch-up of the colors if necessary.

The advantages of traditional cleaning

Protection of the tapestry: Traditional cleaning extends the life of your tapestry by preventing premature wear.

Color recovery: The colors of your tapestry regain their original shine.

Enhancement of your heritage: A clean and well-maintained tapestry is a real asset for your interior.

By entrusting your Aubusson tapestry to Galerie Lissier, you are choosing quality and tradition.
