### Description

Cylindrical vase from the 20th century, 50s and 60s, decorated with horses. Very pretty vase, in excellent original condition, representing two colored horses treated in a cubist style typical of the 50s. Excellent quality of treatment in the central reserve with the work of the enamels contrasting the matte background of the rest of the piece. Beautiful size, height 42 cm, for this very decorative work which can be attributed to an Italian or Vallauris manufacturer. Collector's and decorative piece for a beautiful vintage interior.
