Doll Special: Miniature Glass Jam Jar, Flared Model

80 EUR

Period : 20th century

Condition : Très bon état

Material : Glass

Diameter : 5 cm en haut

Height : 3 cm

Description

Another star of flea markets in France, the famous clear glass and ribbed flared jam jar. But this time in a cute variation that you have probably never seen. Indeed, it is a model that must come from a children's toy grocery store I imagine. It still has its label marked "jam", weakened certainly, but still in place.
