Description

A captivatingly enigmatic post war piece that strongly echoes the unique Neo-Romanticism of Keith Vaughan (1912-1977). Highly unique and distinctive in its style, this painting depicts two nude female figures holding draped white cloths, which come together to create a form that resembles angel wings, creating a thought-provoking focal point for the composition. The hazy, pastel colours and indistinct forms create an overall dreamlike and ethereal tone for this fascinating piece.Artist Name: Unidentified at presentPacking, Shipping and insurance from Barcelona calculated at checkout.UK, EU, USA & Canada: EUR470For all other destinations email: hi@moderndecorative.comFor better viewing copy and paste website
