

Miner's Torch, Well's And Co, No. 18

200 EUR

Period : 19th century

Condition : Etat d'usage

Material : Cast iron

Height : 26 cm

Depth : 28 cm

Description

A fine example of the famous No.18
'Unbreakable' miners torch produced in the late
19th century by AC Wells and Co in Manchester.
It is typical of the style that predominated before
the introduction of more modern lamps made
from sheet metal.
The body is a single piece of cast iron, as is the
separate lid.
Very good condition.
