Description

Italian Peasant Woman with Coral Necklace and Man with Ciocie Shoes, 19th Century

Dimensions: H 65 cm x W 51 cm

Period: 19th century

Technique: Oil on canvas

This rural scene depicts a young Italian peasant woman wearing a coral necklace, a symbol of protection and prosperity, standing beside a man dressed in traditional attire, wearing ciocie shoes, the characteristic folded leather shoes typical of the Ciociaria region in central Italy. The painting reflects an idealized view of 19th-century peasant life, a theme that was often explored by foreign artists active in Italy during that period. The composition is bathed in light, highlighting the harmony and simplicity of rural Italian life.
