Description

This set of 6 BM-1 chairs, by master Danish designer Børge Mogensen for C.M. Madsens Møbelfabrik, is a great example of Mogensen work and Scandinavian craftsmanship. Crafted from solid oak, the BM-1 reflects Mogensen's dedication to functional and understated elegance. The structure, with its clean lines and subtle curves, highlights the natural beauty and durability of the oak wood. Børge Mogensen having drawn inspiration from the shaker style for many of his creations, the BM-1 chair has a minimalist and sturdy design. Each chair features a handwoven paper cord seat, adding texture and warmth to the design while offering exceptional comfort and strength. The combination of oak and paper cord reflects Mogensen's commitment to using natural,
