### Description

Plaster canopic vase.

The grip of the lid has a human shape, perhaps an interpretation of Amset's face. Hieroglyphs, divinities, lotus flowers, pyramids, are present all around the vase.

Even if it has many accidents, this object has a beautiful patina and is not lacking in charm.

In the 19th century, many were reproduced in bronze, I have seen few in plaster.

Sold as is Shipping costs not included
