| Description |
|-------------|

First published in 1974, the Louveciennes collection is inspired by a neoclassical decor created in the 18th century by the Sèvres factory for Marie-Antoinette. The decor consists of alternating blue and gold medallions decorated with a rose and gold medallions. Between the medallions, garlands of intertwined laurels highlight frames containing roses and cornflowers. The bottom of the plates is decorated with a bouquet of flowers surrounded by gold foliage and garlands of intertwined laurels.

Set of 8 deep plates with a wing, diameter 20 cm

Excellent condition, some scratches for some
