Marquetry Desk Pads

300 EUR

Period : 20th century

Condition : Bon état

Material : Solid wood

Length : 30 cm

Width : 21 cm

Description

We present this two-part (opening) desk pad in marquetry on a walnut background, certainly and even surely, of Italian manufacture given the costumes. Object made for France because marked Luchon on the back. The interior is a little faded, it was intended to put the mail, otherwise the architecture is in very good condition. Weight 900 gr (E24)
