

## Pair Of Hollywood Art Deco Bronze Frames, Early 20th Century

240 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

Width : 8 cm

Height : 12 cm

### Description

Here are some frames that are at least original, in any case I have never seen anything like them. From the Art Deco period, made of flat gilded bronze wire arranged so as to tilt together like beams of light as in the credits of a Hollywood movie. In their center, a small shield, the original glasses have a slight chamfer.

Dimensions for the 10.5 x 6.5 cm
