Description

Alphonse de NEUVILLE Saint-Omer, 1835 -

Paris, 1885 Oil on wood panel 14.5 x 24 cm

Signed lower right

Visible at the gallery

Alphonse de Neuville painted soldiers during the war of 1870. For his work, he painted a number of sketches on small wooden panels of this size, probably made from life. Here we see the background decor which is only sketched as well as the face of the soldier on horseback while in the foreground, the description of the soldier is much more finished.
