Description

Metal table with steel and ceramic structure by Roger Capron, 20th century. Very interesting table with its very particular and rare structure and its ceramic tile top by Roger Capron. Famous artist from the middle of the century who made magnificent tables in his world-famous Vallauris workshop. Here is a very elegant and original work with a top in light tiles contrasting with other black ones creating a certain decorative effect. Note an excellent original condition without any restoration. Decorative and useful piece for a very chic interior. Possibility of sending in France and around the world by professional and specialized carrier. Invoice and certificate provided.
