Description

Important Neo-Classical style fireplace with detached columns, in white Carrara marble, carved in the middle of the 19th century, in perfect original condition. Its large ogee top rests on an architrave supported by a pair of Ionic columns. The architecture of this fireplace, of an elegant sobriety, gives it an undeniable presence. To complete this fireplace, a floor slab can be cut on request as well as the creation of a hearth narrowing. Its body length is 160 cm. The footprint is 161.2 cm by 47.2 cm deep. The dimensions of its hearth are 110 cm wide and 96 cm high. You can visit our website: www.claudeaugustin.com
