With a beautiful and elegant shape, this precious jewelry box with fine implications of lemon tree; rosewood, mahogany and ebony is remarkable for its shape with complications, both on the profile and on the lid, closing with its small key, this beautiful box of incredible refinement is original and daring in its design, its drawing and the choice and arrangement of its precious woods, make this beautiful object an effect of delight specific to this period of innovation where the box finally took on its full importance, in a varied and equally neat register by cutting techniques perfected by the innovation of machines and their technique perfected in precision ... A precious help for the Artists who gave themselves to it with passion. The fine lemon ebony fillets, the border sausages alternating with red mahogany,
