

Large Oval Napoleon III Frame In Blackened Wood With Worked Pomponne Hooping

150 EUR

Period : 19th century

Condition : Très bon état

Material : Solid wood

Width : 28 cm

Height : 34 cm

Description

The oval frame in profiled and black-tinted wood is really very representative of the Napoleon III era and the taste of the Second Empire. I offer you a much larger model than those usually found. The interior of the frame is enhanced with a very pretty and wide bronze pomponne hoop with three different stylistic effects. It has its protective glass.

Dimensions of the oval 21 x 16 cm
