

## Huge Cast Iron Magnifying Glass, 1st Half Of The 20th Century

550 EUR

Period : 20th century

Condition : Très bon état

Material : Cast iron

Length : 37 cm

Diameter : 15 cm

### Description

Imposing cast iron magnifying glass dating from the first half of the 20th century.

Circled with metal, the handle is nicely decorated with floral motifs and horseshoes.

Beautiful old brown patina.

A tiny chip on the edge of the glass of the magnifying glass, almost invisible.

Be careful, heavy weight for such an object.

Impossible to render the magnification in a photo but it is quite significant.

A beautiful, quite original magnifying glass, a beautiful instrument.

Dimensions:

37 cm long and 15 cm in diameter.
