Description

Unfortunately in this poor condition of conservation, this sculpture still has the merit of existing. Large wooden sculpture, monoxyl, representing the bust of a putto, arms crossed, and curly hair. The body is painted blue, and the head in natural wood. On the back, in the flat part, there is a location, to be identified. Beautiful old decorative object, despite its "Wabi-Sabi" condition..Poor condition, clearly visible in my detailed photos.. Missing parts, wormholes, absence of polychromy, cracks, please look at them carefully, I am not hiding anything!European working, probably Italian, perhaps German, dating from the second part of the 17th century, or the beginning of the 18th century.Dimensions: 25cm x 27cm H x 17cmSHIPPING CONDITIONS BELOWFREE
