Description

This Very Beautiful Ring is made of white gold. It has a gold weight of 4.15 grams. It is composed of two Precious Stones: Blue Sapphire: At its center, this ring features a magnificent natural "vivid blue Royal" color sapphire, cut in an octagonal/radiant shape, measuring 6.31 x 4.85 mm and weighing 1.28 carats. Certified by the Bellerophon center under number A13745, this precious stone captures the light with a brilliant brilliance, offering an unparalleled depth in its intense blue hue. Diamonds: The setting is enhanced by 10 brilliant-cut diamonds, totaling 0.46 carats. These diamonds add a subtle but captivating sparkle, enhancing the beauty of the central sapphire. Design: The central sapphire, with its elegant shape and radiant angles, is beautifully highlighted by the diamonds set on the
