Description

Certified 1.51 Carats Blood Pigeon Ruby Diamonds Yellow Gold 18K Cocktail Ring This ring is crafted in 18k yellow gold weighing 4.91g. The 18k yellow gold lends warmth and sophistication to this unique creation. Gemstones: Ruby: At the center of the ring is a stunning natural oval-cut ruby, measuring 7.76 x 6.07mm and weighing 1.51 carats. This "vivid red pigeon's blood" ruby, certified by Bellerophon (certification number A13748), is renowned for its intense red hue and represents the finest quality ruby. Diamonds: The band is adorned with 8 brilliant-cut diamonds, totaling 0.10 carats. These diamonds add a subtle sparkle that perfectly complements the richness of the center ruby. Design: The oval ruby, majestically highlighted by the yellow gold, is framed by

diamonds delicately set along the band, creating a striking contrast between the brilliance of the diamonds and the deep sparkle of the ruby. This elegant and timeless design makes this ring an exceptional piece for any collector or fine jewelry enthusiast. Ring Condition: New, ready to be worn for a special occasion or to enrich a high-end jewelry collection. A unique ring where the vibrant color of the pigeon blood ruby meets the purity of the diamonds, set in luxurious yellow gold.
