Description

Pair of Gilt Bronze Candlesticks - Restoration Period Discover this magnificent pair of gilt bronze candlesticks from the Restoration period, measuring 31 cm in height. These antique candlesticks are distinguished by their original gilding, meticulously enhanced by a bronze craftsman, who has preserved the brilliance and refinement of each detail. Resting on a tripod base, these candlesticks feature feet in the shape of lion claws, an emblematic motif of the Restoration style, adding power and elegance. The fluted shaft is decorated with finely chiseled floral and leafy motifs, revealing the excellence of 19th century craftsmanship. Each candlestick has a bobèche in the shape of a Medici vase and a socket that elegantly accommodates the candle and ensures stability and style. The bobèche,
