

Holland Cabinet Period 17th Century

1 950 EUR

Period : 17th century

Condition : Parfait état

Material : Solid wood

Length : 44

Width : 22

Height : 17

Description

Superb and unique piece for this 17th century Dutch cabinet. Three drawers on the front in finely carved gilded wood, original pull rings, small compartments inside, perhaps a mineralogy cabinet? Chiseled brass plates in the corners for decoration. Very good condition, complete, a beautiful and rare testimony of the 17th century.
