Lovely pair of small toilet candlesticks called ragots in very finely chiseled bronze. With a partially fluted central shaft, they are decorated with alternating geometric friezes and threads. They rest on a circular base with a frieze of water leaves. They are entirely original including their bobeche which reproduce the decoration present on the body. Dimensions: Height: 15.8 cm Base diameter: 9.5 cm Weigh: 850 g In their original condition. Wear of the gilding, no shock, great finesse of the decoration, period vouchers with great fine carving. Charming !
