Description

These magnificent dynamic pieces are painted with a frantic yet brilliant flair. Echoing the abstract expressionism of Willem de Kooning (1904-1997), this highly skilled artist paints with a unique spontaneity and freedom. The frantic, gestural brushstrokes create a dynamic ambience, allowing movement and energy to take over the medium. Drawing on classical imagery, a series of studies of the nude figure are depicted, surrounded by a chaotic, whirlwind-like atmosphere.Vicente Vela was a Postwar and Contemporary artist born in 1930. Known for his dreamlike depictions of distorted figures and abstract compositions, this Spanish painter has enjoyed frequent success at auction, with records reaching around EUR2,500.Artist Name: Vicente Vela (1930-2015)Packing, Shipping and
