

## Romantic Landscape

455 EUR

Period : 19th century

Condition : Bon état

Material : Oil painting

Width : 70

Height : 55

### Description

Landscape with cottage and mother and child at the water's edge on the left. On the right, view of the beginning of a forest. In the background in the center, a mountain appears in blue tones, in accordance with the rules of atmospheric perspective. The painting is framed in a molded wooden frame and painted stucco, from the Louis-Philippe period, like the painting.
