Description

This lively and spirited market street bathes in the autumn sun as shoppers nonchalantly stroll past the stalls with luscious floral displays. The unique style of this piece splendidly captures the buzz and laid-back energy of a weekend market - the artist has been sparing with the details, whilst still giving a fantastic sense of colour and movement. These vibrant block colours with dark contours recall the Cloisonnism of Post-Impressionists such as Paul Gaugin and Émile Bernard, with this bold separation of colour making the work all the more striking and distinctive.Packing, Shipping and insurance from Barcelona calculated at checkout.UK, EU, USA & Canada: EUR100For all other destinations email: hi@moderndecorative.comFor better viewing copy and paste website
