Description

The artist of this dreamlike landscape has captured the texture of these thick, crisp layers of snow remarkably well, which look so delicious you almost want to touch them. There's nothing like a sparkling white canvas to exaggerate the sky, and here the vibrant blue contrasts beautifully with the crisp white snow, allowing the sunlight to shine down on the mountains and trees. Looking like an extension of the natural landscape, the charming wooden cabins add the finishing touch to this picturesque scene. Swedish painter Einar Krüger (1910-1988) is known for his remarkable oil paintings of the breathtaking landscapes of his native Sweden.Artist Name: Einar Krüger (1910-1988)Packing, Shipping and insurance from Barcelona calculated at checkout.UK, EU, USA & Canada: EUR420For
