Width : 28

Height : 37

Description

This brilliantly bold and striking piece plays with a fantastic array of textures and techniques to create a theatrical result. The energy of the work gives an insight into the movement and gestures of the artist making their marks. In an innovative use of mixed media, an unfolded box or carton has been used as the focal point to create an interesting geometric form around which to allow the chaos and excitement to unfold. An inspiring example of creating outstanding art from discarded materials.
