Description

Very large portrait representing a man in a suit holding a book painted by Lucien Fontanarosa signed lower right and dated Rome 1959. It is framed in a quality late 19th century gilded frame. The painting had some pitting on a few places which were treated because there is no sawdust. That's why I put it to restore but it's really nothing serious and especially inexpensive in restoration. I put a small price to sell to Merchants or collectors. delivery France
